

Do you market yourself to best advantage?

- ✱ at interviews
- ✱ meetings
- ✱ presentations
- ✱ seminars

Are you able to project your voice effectively?

Is it difficult to express yourself clearly?

Are you often asked to repeat yourself?

Is English your second language?

How often do you get interrupted when making a point?

Are you confident of your ability to persuade and influence others?

You may need the help of a communication specialist
